ALARM SYSTEM RULES

Permits are required for all alarms installed in San Carlos. An annual fee of \$27.00 is required with this application (non-transferable).

False alarms in excess of one (1) per fiscal year (July 1- June 30) will cause a service fee to be charged for the emergency response (8.16.190 M.C.). Failure to repair defective equipment causing false alarms may result in no Police response to your alarm (8.16.200 M.C.).

Burglary, Robbery, and Fire alarms must be separate alarms.

Use of a Robbery alarm for any purpose other than a robbery will cause this permit to become null and void.

No permit shall be in any manner transferred or assigned (8.16.060 M.C.).
