Option 1: **I DO NOT** wish to obtain a police alarm permit. Effective on receipt, please place my system on a **“Non Response”** status. I understand this means that police will not be sent to my address in the event of an alarm activation. If I should desire police response in the future, I must complete a new application.

Option 2: **I DO** wish to obtain an alarm permit to ensure police response to my alarm. I understand that as a permit holder, if I incur false alarms in excess of two in any 12 month period, I will be assessed a charge of \$100 per occurrence for the third alarm, \$110 for the fourth false alarm, \$150 for the fifth false alarm, and \$175 for the sixth, and any additional false alarms in any one year. I understand that these assessments are a charge for a municipal service, and if I do not pay them I will be subject to collections. Regardless of payment of assessments, if I continue to accumulate false alarms, the City may revoke my alarm permit and place my system on a non-response status.
